VISION

Community Options-Quality Options

MISSION

Community Options Illawarra is committed to consistently providing high quality, flexible services to assist people who require support to remain at home. Priority is given to those who are disadvantaged or have special needs.

TRANSITION CARE PROGRAM

TRANSITION CARE PROGRAM

Community Options Illawarra Inc. provides short term individual Case Management for people who are HACC eligible and have changed circumstances or have received a hospital discharge program and are waiting to access other/ongoing services.

Who can Refer?

Anyone can refer to Community Options Illawarra Inc. by contacting one of our offices directly.

Following referral a Case Manager will contact you to determine eligibility, and discuss your needs.

The program provides:

- ◆ comprehensive assessment
- ◆ individual care planning
- ◆ information
- ◆ referral to services
- ◆ service coordination
- ◆ monitoring
- ◆ brokerage funds to provide services for assessed needs which are not available through mainstream services.

Fees for service apply.

Duty of Care

We have a duty to do everything reasonable and practicable to protect the safety of both clients and the staff.
